 - Pots, pans, bowls, knives
 - Crockery & cutlery

Arrival & departure

Arrival: **from 4 pm** | Departure: **by 09 am (incl. leaving the parking lot)**

We are expected to be in the house by 4 pm on your arrival and hand over the keys to you.

Should you arrive later than 5 pm, please contact us in advance. In this case there is a key box to the right of the front door. You will receive the code by email on request.

Good to know

We would like to point out that **winter tires are compulsory** on Austrian roads from November 1st to April 15th. To be on the safe side, we recommend that you bring **snow chains** with you (the road to Hochsölden is quite steep and not always snow-free).

Parking while on vacation

We kindly ask you to go to the Hotel Alpenfriede reception on arrival - there you will be assigned your exclusively reserved parking space on/in the parking deck/house in Hochsölden.

Before you arrive, please let us know how many cars you will be traveling with - this is the only way we can guarantee that there are enough parking spaces available for you.

Location of the house

The haus maria is located in the middle of the ski slope – this means you have to carry your luggage across the slope!

It is not possible to tow a suitcase or trolley as there is snow everywhere. We therefore recommend that you bring your luggage in portable bags or backpacks.

Deposit

A **deposit of € 400.00 must be paid in cash** on the day of arrival. We will of course confirm the handover. If the house is left in a reasonable condition, you will of course get the deposit back. Unfortunately, the house was partly damaged in the past or left very dirty - so we felt compelled to take this measure. We hope for your understanding.

Is there a place to have breakfast in the area?

For all those who do not want to take care of their breakfast on their own, restaurant Sonnblick (about 50 m above haus **maria**) is the ideal place. For reservations please contact the Sonnblick team two days in advance between 9 am and 5 pm by phone on **+43 (0) 5254 20032** to discuss your ideas.
